TempCheck3[®]

Single-use Strip Chart Temperature Recorder

The TempCheck3 is a reliable and cost-effective strip chart temperature recorder for all shipping and transit applications. The TempCheck3 is driven by a high-torque quartz motor and displays the time and temperature on strip chart paper in both Celsius and Fahrenheit.

MARATHON
PRODUCTS, INC.

*Don't ship
without us![®]*

Full Serialization:

The recorder and the strip chart share the same serial number for positive identification.

Factory Sealed:

A unique feature is the silver polyester tamper evident seal. If any attempt is made to remove the seal, the word VOID appears on the seal and the case.

Verification:

Marathon offers, at no cost to the user, a post-trip verification service. Simply return the instrument for us to check and verify the accuracy against our NIST traceable standards.

Recycle:

TempChecks are for single-use only but we encourage recycling. Please call Marathon for disposal or recycling of these units.

Note: a minimum order consists of 24 units; product shipment is Same Day if the order is placed before 2pm Pacific Standard Time.

For information on the TempCheck3 Strip Chart Temperature Recorder please contact Marathon Products.

TempCheck3 Specifications	
Run Time	7 days, 16 days, 30 days, 60 days
Operating Range	-13° to +95°F (-25° to +35°C)
