Part No.

# QTFT-4MS1

1/2" male NPT x male Quick-test, with check-valve, with cap and chain, S.S.

A removable cap provides easy access to connect a Quick-test hose to the process for calibration purposes and is easily sealed bubble-tight again when calibration is complete

QTFT-4MS1

## Specs/Attributes

|                           |                                             |
|---------------------------|---------------------------------------------|
| Country of origin         | USA                                         |
| Has Check Valve           | Yes                                         |
| Materials                 | Stainless Steel                             |
| Max Operating Temperature | 225 °F / 105 °C                             |
| Max Pressure              | 3000 PSI / 200 bar / 20 MPa                 |
| Seal Materials            | Buna-N                                      |
| Wrench Size               | 7/8 In<br>23 mm                             |
| Dimensions                | H: 2.14 in (5.44 cm) x W: 0.87 in (2.21 cm) |
